Ilocos Sur gov't helps MSMEs start anew

VIGAN CITY, Ilocos Sur (PIA) – Some 1,500 micro, small, and medium enterprises (MSMEs) in Ilocos Sur, who were affected by the onslaught of Super Typhoon Egay, received P5,000 cash assistance from the provincial government on Thursday, November 30 at the Vigan Convention Center here.

Rolando Bulso, an online food business owner in Narvacan town, said that the amount he received will help increase his capital so he can restart his livelihood.

Bulso shared, “Nasira iyong mga gamit ko kasi kumbaga barang-barong lang dati, kaya malaking tulong na may natanggap kaming ganito. Salamat po at sa tulong nito maipupundar ulit namin ang aming negosyo.”

Zenaida Jaramilla, a sari-sari store owner from the town of Santa Cruz said, “Nabasa po iyong mga paninda ko noong bagyo kaya nagpapasalamat ako dahil malaking tulong ito na pambili ko ng paninda para mapuno iyong store

ko.” Further, Governor Jeremias Singson reminded the beneficiaries during his message at the event that they should immediately use the assistance for their business and not for leisure activities.

“The provincial government of Ilocos Sur has been committed to bolstering local economic development as highlighted in the One Ilocos Sur 10-Point Agenda so all together we will do this as one,” Singson said.

The provincial government was assisted by the Department of Trade and Industry (DTI)-Ilocos Sur during this distribution.

Director Rosario Quodala of DTI-Ilocos Sur said that she knows that some MSMEs were forced to cease their operations, while some were wiped-out and others relocated their business.

Quodala added, “Through the generosity and benevolence of our provincial government, we are all here today. Sana

Mobile x-ray van to boost fight vs TB in La Union

SAN FERNANDO CITY, La Union (PIA) – The Department of Health – Center for Health Development (DOH-CHD) 1 on Tuesday, Dec. 5, received a mobile chest radiography van worth P8 million from the Philippine Business for Social Progress (PBSP).

The x-ray van is expected to boost the Ilocos Region's capability to detect tuberculosis (TB) cases and limit its spread.

Tuberculosis remains a major health problem in high TB burden countries such as the Philippines and tracking cases is imperative to stop the disease from infecting more people.

The DOH has reported a decrease in the number of positive TB cases in the country in 2020 with the onset of the COVID-19 pandemic as quarantine restrictions during the

period led to less testing for TB.

The project was undertaken under PBSP's Advancing Client-centered Care and Expanding Sustainable Services for TB (ACCESS TB) project, which is augmented by its receipt of funding to fight TB, malaria, and acquired immunodeficiency syndrome (AIDS).

The PBSP is the largest business-led non-government organization (NGO) in the country and works to promote social endeavors centering on poverty reduction, sustainable development, and corporate citizenship.

For 2022, there were 17,349 TB cases recorded throughout the Ilocos Region while from January 1 to December 4, 2023, the figure increased to 18,512 cases.

Drug Reformation Facility in Burgos to be accredited as the province's “Balay Silangan Reformation Center”

LINGAYEN, PANGASINAN – The Pangasinan provincial government, in partnership with law enforcement and other line agencies, will join hands in building a better community for drug surrenderees in the province.

Collaborative efforts will be strengthened through the signing of a Memorandum of Understanding (MOU) and a Memorandum of Agreement (MOA) on December 7 at the Pangasinan Drug Reformation Center in San Vicente, Burgos town. This will serve as the requirement for the accreditation of the facility as the province's “Balay Silangan Reformation Center.”

Earlier, Governor Ramon V. Guico III said the implementation and strengthening of a community-based plan of action through the Balay Silangan Reformation

Program is a welcome opportunity for the province to help reform drug offenders as self-sufficient and law-abiding individuals.

“Balay Silangan” is a program launched by the Philippine Drug Enforcement Agency (PDEA) that aims to build temporary shelters for drug offenders. Reformatory in nature, the program is an alternative intervention for drug personalities who are not users and are not eligible to undergo medical treatment and rehabilitation in facilities supervised by the health department.

A community-based rehabilitation program is a holistic approach that aims to focus on the healing of the body, mind, and soul of drug surrenderees through counseling and other therapeutic sessions.

DTI-Ilocos Norte continues monitoring of Noche Buena prices

LAOAG CITY, Ilocos Norte (PIA) – The Department of Trade and Industry (DTI)- Ilocos Norte assured they will conduct a weekly monitoring of grocery stores following the release of the 2023 Noche Buena price guide to ensure implementation of proper pricing.

Dominador Alberto, officer-in-charge of the Consumer Protection Division of DTI Ilocos Norte, clarified that only groceries and supermarkets are covered in the price guide which means they cannot raise their prices above the Suggested Retail Prices (SRP)

He added that the DTI already distributed the copy of the price guide to groceries and supermarkets around the province after the release of the price guide.

“Okay naman ang reception nila (grocery stores and supermarkets) sa bagong price guide. Alam naman nila na kung lalabas na itong listahan, ito ang magiging basis ng DTI sa pag-monitor. Inaasahan natin na sa susunod na weekly monitoring naming na naka-base na sa price guide ang presyuhan ng mga stores,” Alberto added.

According to the 2023 Noche Buena price guide, a total of 152 stock keeping units (SKUs) of Noche Buena products increased in prices compared to 2022.

Of this number, 83 SKUs have increased by one to five percent, 37 SKUs increased by five to 10 percent, and 32 SKUs increased by more than 10 percent.

Alberto said price increased in some brands of ham, fruit cocktail, cheese, keso de bola, mayonnaise, all-purpose cream, sandwich spread, pasta, elbow macaroni, and tomato sauce.

Moreover, 37 SKUs have maintained their

BFP-Region 1 encourages public to use hornpipes on holiday celeb

STA. BARBARA, Pangasinan (PIA) – The Bureau of Fire Protection (BFP) in Region 1 has encouraged the public to use hornpipes as an alternative to firecrackers during the Christmas and New Year celebrations to avoid firecracker-related injuries in the region.

In line with the fire safety campaign this holiday season, the BFP-Region 1, in collaboration with SM City Rosales, distributed hornpipes to residents of Rosales town who joined them in their Year-End Special.

This coincided with the launching of the BFP's "Oplan Paalala, Iwas Paputok" campaign held on Friday at SM City Rosales in Rosales, Pangasinan.

The BFP-Region 1 personnel, along with the attendees in the activity, simultaneously blew their horns to formally open the "Iwas Paputok" campaign.

Fire Chief Superintendent Leonida Rosales, regional director of BFP-Region 1, emphasized that hornpipes are a safer alternative to firecrackers for making noise during the holiday season.

She highlighted the objectives and planning of the BFP Memorandum Circular No. 2017-012 Re: "Oplan Paalala, Iwas Paputok."

She said the first object is to promote public safety against fire and emergencies through campaigns and public information.

"Hindi lang ang mga firefighters ang responsible rito. Kailangan ding ma-involve ang communities kaya mayroon tayong tinatawag na 'Ugnayan sa Barangay.' Iti-train ng mga

firefighters ang iba para maging fire volunteers na magiging katuwang sa pagsugpo ng apoy," she stated.

Moreover, Rosales said the second objective is to enforce fire code provisions through safety inspections of high-risk areas.

She said the BFP will check whether business establishments and firecracker manufacturers comply with fire safety requirements and also restrict the issuance of certificates or clearances to those who sell or use pyrotechnics (or fireworks displays) or electrical decorations.

The last but not the least objective, according to Rosales, is to coordinate all fire and emergency response efforts with concerned agencies and local government units.

Assistant Regional Director for Operations, Senior Superintendent Bonifacio Carta said in an interview, "We are now implementing the whole-of-nation approach wherein we are already involving the community in our activity."

As part of the activity, the BFP in Pangasinan, La Union, Ilocos Norte, and Ilocos Sur participated and performed in the "Talentadong Bumbero."

BFP Ilocos Norte won the competition.

BFP La Union was the first runner-up; BFP Ilocos Sur was the second runner-up; and BFP Pangasinan was the third runner-up.

Likewise, the BFP assured that they are always ready to respond and provide public service, especially during the holiday season. (Jenrie C. Del Rosario/PIA Pangasinan)
